Economical, multipurpose weighing in a compact scale

OHAUS Valor™ 1000 precision scales are an economical choice for your basic weighing needs. Standard software includes checkweighing mode, accumulation mode and multiple units of measure. Valor 1000 scales feature a removable stainless steel weighing platform, and a mid profile ABS plastic housing with leveling adjustment. Each scale also comes standard with a long lasting internal rechargeable battery for ultimate portability and convenience.

Standard Features Include:

- **Ergonomic design** – Compact footprint, large removable stainless pan with a bright, easy to read backlit LCD (models with front or dual front and back of scale displays available) and audible alerts
- **Solid performance** – Fast response time, leveling capability standard, and precision resolutions up to 7,500d
- **Friendly operation** – Easy to clean and transport. Included long-life internal rechargeable battery with standard AC power adapter and user selectable auto shut off backlight
- **Single or dual displays**
