

Valor[®] 2000

Compact Bench Scales

V22PW

V22XW

A durable, rapid-response food processing scale that enhances safety, efficiency, and productivity even in harsh environments!

The OHAUS Valor 2000 water resistant food scale sets a new industry standard with the winning combination of speed and durability. Available in both stainless steel and plastic housing designs, Valor 2000 offers large LED front and rear displays, food safety approvals and puncture resistant keypads, making it the premiere value scale for use in dry or washdown environments.

Standard Features Include:

- **Knife Proof Keypad Prevents Damage from Sharp Objects**—Valor 2000 has a polycarbonate keypad that can endure contact with knives or sharp instruments used daily in demanding food preparation, processing and portioning applications.
- **Flow-Thru Design Protects Valor 2000 in Harsh Environments**—Safe to use in the weighing of liquids and in wet environments, Valor 2000 is NSF Certified and has an IPX8 flow-thru design which channels fluids that may enter the housing through strategically located drain holes, ensuring the scale remains clean and operational.
- **Fast Speed and Large Dual Displays Allows More than One Operator to Easily Work on Valor 2000**—With less than a one second stabilization time and front and rear LED displays, multiple operators can efficiently utilize one scale for the same job.
- **Stainless Steel Version Offered with Extra Check Weighing Mode**—The Valor 2000 stainless steel models feature an easy to clean, rigid and protective 304 stainless steel top housing with check weighing mode, expanding its functionality.
